I DECLARATION

IMPORTANT

- It is an HMRC requirement to remind you that it is a serious offence to make false statements; the penalties are severe and could lead to prosecution.
- During the application process, we will provide you with a copy of the governing Deed and Scheme Rules. These can also be provided to you before signing this application upon your request. Please note: you are a co-Trustee of your own SIPP.
- Wensley Mackay Ltd is the Administrator of the Scheme. As a Member of the Scheme you also agree to be a Trustee of the Scheme and as such you agree that the day to day administration of the Scheme will be provided by Wensley Mackay Ltd. The Administrator of the Wensley Mackay Personal Pension administers the Scheme in accordance with the governing Deed and Rules of the Scheme.

General Declaration and Agreement

I declare I am the person named in this application and I hereby apply to become a Member of the Wensley Mackay Personal Pension (the Scheme). I agree to be bound by the Trust Deed and Rules of the Scheme.

I declare that:

- (a) to the best of my knowledge and belief the information contained in this Application is true and complete and that this declaration and any other declaration made in connection with this Application shall be the basis of the contract(s) with the Administrator and the Trustees.
- (b) contributions or other payments will not be invested until the Trustees have received cleared funds;
- (c) in return for the services to be provided by Wensley Mackay Limited, I agree to pay the charges set out in the literature issued to me prior to this application and as amended from time to time. I understand that the Administrator has the power to deduct any charges from my fund if not paid by me directly;
- (d) I will not attempt to withdraw funds held to provide benefits for me under the Scheme or the income on those funds, other than in accordance with the Rules of the Scheme. In the event that an unauthorised payment is made, I agree to the Scheme Administrator deducting the amount of any Scheme Sanction Charge, or other charges, levied by HMRC on the Scheme Administrator from the Fund held for me under the Scheme. If there are insufficient funds held for me under the Scheme, I agree to pay the Scheme Administrator the amount by which the charge exceeds the value of my Fund under the Scheme.

I authorise:

- (e) the Trustees to realise investments under the Scheme attributable to me in order to pay its annual charges and transactions. In particular, I agree that any legal fees incurred by the Trustees or the Administrator in relation to any action taken by the Trustees in connection with investments held on my behalf under the Scheme will be paid from my arrangements under the Scheme.
- (f) in the event that an unauthorised payment is deemed to have been made I agree to Wensley Mackay Ltd deducting any tax charges, including Scheme Sanction Charges, levied on the Scheme Administrator from the funds held within the Scheme. If there are insufficient funds held within the Scheme I agree to pay Wensley Mackay Ltd the shortfall.

I hereby apply:

- (g) to become a Member of the Wensley Mackay Personal Pension and agree to be bound by the governing Deed and Rules.

Declaration where contributions are to be paid

If contributions are to be paid, I declare that:

I am under age 75 and am a relevant UK Individual (see Note 1)

The total of the member contributions paid to this Scheme and to other registered pension schemes, on which I am entitled to tax relief, under section 188 of Finance Act 2004, will not exceed, in any tax year, the higher of:

- a) the basic amount (£3,600 for the tax year 2009/10); or
- b) 100% of my relevant UK earnings (see Note 2) in that tax year;

I will give notice to the Scheme Administrator if an event occurs, as a result of which I will no longer be entitled to relief on member contributions, under section 188 of Finance Act 2004. I confirm I will give this notice by the later of:

- a) 5th April in the year of assessment in which the event occurs; and
- b) the date which is 30 days after the occurrence of the event;

The total contributions being paid to this Scheme, together with any paid to other pension schemes to be made by me or on my behalf do not exceed the Contribution Annual Allowance.

I agree to give written notice to the Administrator if any of the following occur:-

- I cease to become a UK resident;
- I become a member of another pension scheme;
- My employment status changes;
- I cease to meet the criteria set out the declarations above;
- I crystallise benefits from another pension scheme

Note 1

An individual is a relevant UK individual for a tax year if they:

1. have relevant UK earnings (see note 2) chargeable to income tax for that year; or
2. are resident in the UK at some time during that tax year; or
3. were resident in the UK at some time during the five tax years immediately before the tax year in question and they were also resident in the UK when they joined the pension scheme; or
4. have for that tax year general earnings from overseas Crown employment subject to UK tax (as defined by section 28 of the Income Tax (Earnings and Pensions) Act 2003 (ITEPA)); or
5. are the spouse of an individual who has for the tax year general earnings from overseas Crown employment subject to UK tax (as defined by section 28 of ITEPA).

For individuals within 2 to 5 above, who do not have relevant UK earnings, the maximum member contribution is the basic amount (£3,600 for the 2009/10 tax year).

Note 2

Relevant UK earnings are:

1. employment income such as salary, wages, bonus, overtime, commissions chargeable to tax under section 7 (2) Income Tax (Earnings & Pensions) Act 2003 (ITEPA); or
2. income derived from the carrying on or exercise of a trades profession or vocation (whether individually or as a partner acting personally in a partnership) chargeable under Part 2 Income Tax (Trading and Other Income) Act 2005; or
3. income arising from patent rights and treated as earned income under section 833 (5B) Income and Corporation Taxes Act 1988 (ICTA); or
4. general earnings from an overseas Crown Employment which are subject to tax in accordance with section 28 of ITEPA 2003.

Where relevant UK earnings are not taxable in the United Kingdom due to a double taxation agreement (section 788 of ICTA 1988) those earnings are not regarded as chargeable to income tax and so will not count towards the annual limit for relief.

Transfer Payments

Request to transfer

- I request that the administrator of the transferring plan applies the whole of my available transfer value from that arrangement.
- I understand that, following the application of the transfer value, neither I nor my spouse or dependants will have any further entitlement under the transferring plan.
- I authorise the trustees, administrator or insurers of the transferring plan to provide Wensley Mackay Limited with any information it may request in relation to any benefits provided for me.

General declaration relating to Unsecured Pension and Alternatively Secured Pension (Drawdown)

- I understand that where I instruct Wensley Mackay Limited to pay any monies (tax free cash and/or income payments) and then subsequently change my mind and cancel the plan (where a cancellation right exists), I will pay back in full any such payments received from the Scheme. In addition I will also pay Wensley Mackay Limited's reasonable administration and/or legal costs in recovering this money.
- I understand that I will be able to review the amount of income withdrawals, within the limits set down by the Rules of the Scheme, but if I do so an extra charge may be levied from my fund by cancellation of units or encashment of other investments to meet the additional administration costs.
- I understand that if I select an initial amount of income which is above the HMRC upper limit, then the Scheme Administrator will pay income equal to the upper limit.
- I understand that if, at any time in the future, my selected amount of income falls outside the limits, the Scheme Administrator will pay an income equal to the appropriate limit. I further understand that a pension will have to be brought into payment on or before my 75th birthday and that unless otherwise requested in writing the normal retirement age for the plan will be 75. (This does not preclude taking benefits earlier without penalty).

Data Protection

I confirm that:

- I understand Wensley Mackay Limited, or any third party as they may appoint acting on their behalf, will process and hold on computer or otherwise information obtained about me as a result of this Application.
- I hereby give my consent to Wensley Mackay Limited, or any third party as they may appoint acting on their behalf, obtaining, recording and holding this information and other such personal data as is reasonably required to administer the Scheme and my own benefits.
- I also give consent to Wensley Mackay Limited disclosing to a third party such basic information about me as may be required by that third party to enable them to trace my whereabouts in the future should Wensley Mackay Limited be unable to do so and require their assistance.
- I understand that I have the right to ask for a copy of the personal data held in respect of me in return for the payment of a small fee and to require the correction of any inaccuracies in that data.
- Where I have disclosed the personal data relating to other living individuals, I am also deemed, as agent, on behalf of those individuals to have:-
 - given consent on their behalf; and
 - Informed them of the identity of the data controllers, and the purposes for which their personal data will be processed.
